BRIESER CONSTRUCTION COMPANY SAFETY AND HEALTH POLICY

Brieser Construction Company is committed to providing our employees with a safe and healthy work environment. All employees play an essential role in the success of our company and we consider them to be part of the Brieser Company family. Safety is a core value that shapes our behavior. It is an essential consideration in all business decisions and is a requirement in the performance of all job tasks.

COMPANY VALUES

We, at the Brieser Construction Company, have a great respect for life.

We will maintain and preserve a high quality of life through *honesty, integrity, hard work, trust*, and consistent *dependability and reliability*.

We are committed to achieving *excellence* in our endeavors and treating all people with *dignity and respect*.

We consider these values to be of paramount importance in both our *personal and business* conduct.

We encourage people to grow as individuals to their full potential and we praise their contribution to the *safety practices, growth and profitability* of our Company.

Our Company always expects and accepts positive ideas, encourages constructive suggestions and stimulates teamwork to enhance the development of our employees, improve our safety procedures, and business and technical practices.

MISSION STATEMENT

The Mission of the Brieser Construction Company is to continually:

Satisfy our customer's needs through superior construction management and technical practices;

Actively improve the safety of our workplace

Focus on the quality and integrity of all our industrial and commercial projects; and

Embrace sound business practices to deliver a fair return on our investment.

We strive to continually improve on a safe work environment that fosters teamwork, dependability, responsibility, accountability and creativity. We maintain open communication channels that allow us to remain flexible to meet our

customers' needs and get the job done. We base our Company's professional and technical achievements on the expertise of our associates to reinforce our safety record, good reputation and recognition for almost 30 years of successful achievements in the marketplace.

The Brieser Construction Company recognizes the important contribution of its employees to its safety practices, business success and growth through fair compensation, benefits and a program of performance-related incentives and rewards. We expect each one of our dedicated professionals to execute their duties in such a manner that will always meet, and preferably exceed, our clients' expectations and needs.

The Company seeks for its owners a fair return on their investment that is consistent and compatible with the risks taken and the capital invested in the business.
